Random House USA Inc, United States, 1993. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Written by a UCLA linguistics professor and her class, Slang U. not only celebrates the English language at its liveliest, but also reveals what subjects are most on the minds of today s students - including a few that actually have nothing to do with either sex or beer. Slang U. is a dictionary of college slang words and expressions sure to stoke up those who are passing through ivy-covered halls of knowledge and sure to mystify alumni and lovers of the king s English. Witty, creative, and totally the word on college lingo, Slang U. is required reading for all in the English-speaking world.
