Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is the outcome of the author s decision to share his expertise with others, particularly those about to embark upon a career in recreational activities involving children and young adults. This manual is a practical handbook of proper medical care. In 35 years in Education, the author has observed most staff have stress and anxiety with student injuries and providing proper First Aid. It is an area most of the staff is very uncomfortable with and have had little or NO training or information provided. His goal is to provide a practical handbook that could be added to Staff Handbooks for ALL organizations involving activities and programs for individuals of all ages.
