Transworld Publishers Ltd, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. Jamie Carragher is one of the most charismatic footballers of his generation. Adored by the fans, he was recently voted the most popular player in the entire Liverpool squad. Yet the young Carra came to Liverpool as an Everton fan, from an Everton family and with Everton friends. Packed with great anecdotes, controversial opinions and large helpings of his trademark humour, this is his story. Born in January 1978 in Bootle, Merseyside, Carragher signed professional terms with Liverpool in 1996, having served a successful apprenticeship, won the FA Youth Cup and played for England Under-21s. He scored a goal in his first full league game for the senior team - pretty good for a defender and very unusual for him - and his versatility was to ensure a permanent place in the starting line up before long and he is now vice-captain. In fact he is so integral to the Liverpool squad, the Kop chants we all dream of a team of Carraghers to the tune of Yellow Submarine . Raw, funny and down-to-earth, his book is an antidote to the anodyne sports autobiography. It takes you behind the scenes of all of Liverpool and England s greatest triumphs and disasters in the company of a player who never fails to be intelligent, controversial or just downright hilarious.
