Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.CHOSEN: BLACK AMERICA S CALLING is a three-essay volume that is intended to move Black Americans toward nation formation. Essay 1 (Hebrews/Jews and Black Americans) is a religious essay, which suggests that Black Americans are a chosen people for the current millennium. Essay 2 (Time to Move) is an historical essay that describes current and future conditions that will motivate Black Americans to move toward nation formation. Essay 3 (Point Zero Nation Formation) is an economic futures essay, which provides a draft blueprint that Black Americans can use to construct a solid plan for founding their own nation. This book builds on an earlier (2009) work (CHOICE: BLACK AMERICA S DECISION), but it provides considerably more context, which justifies a move toward nation formation by Black Americans. While nation formation may appear to be a non-existent alternative at this time, conditions may unfold unexpectedly and rapidly, which force Black Americans to initiate nation formation efforts. Given the special role that Black Americans have been partially prepared to play on the world s stage during this millennium, Black Americans must form their own new nation so that they can complete the preparation process. Like a rejuvenated, formerly abused spouse who has exited an abusive relationship and environment, Black Americans can heal themselves within the protected confines of their new nation. Afterwards, they can go abroad to help heal and unite the people of the earth, so that the world can recapture an Eden-like state again.
