## CLINICAL TOPICS IN PERSONALITY DISORDER

RCPsych Publications. Paperback. Condition: New. 352 pages. Dimensions: 9.1in. x 6.1in. x 0.8in. Huge expansion of clinical interest and research into personality disorder in the last 10 years. Covers the nature of disorders, assessment, diagnosis and classification, management and treatment. Includes an eclectic range of therapies and approaches. Has chapters on different settings, age groups, service user viewpoints and service provision. Some chapters were originally published in the Colleges journal *Advances in Psychiatric Treatment* and have been updated; some are specially commissioned. Written by practitioners with real expertise in the field. Handy synthesis of clinical, research and policy issues. Readership Particularly relevant for any healthcare professionals caring for those with personality disorder. It will also be useful for psychiatric trainees, those working in forensic services and anyone in the multi-disciplinary mental health team. Related title *Nidotherapy: Harmonising the Environment with the Patient*, from RCPsych Publications in 2009, ISBN 9781904671749. RCPsych Publications is the publishing arm of the Royal College of Psychiatrists (based in London, United Kingdom), which has been promoting excellence in mental health care since 1841. Produced by the same editorial team who publish *The British Journal of Psychiatry*, they sell books for both psychiatrists and other mental health professionals; and also many written for the general public. Their popular series include the *College Seminars Series*, the *NICE mental health guidelines* and the *Books Beyond Words* series for people with intellectual disabilities.
