Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Dog Ear Publishing, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered why we re here, what it all means? In Life! Why We Exist. And What We Must Do to Survive, Martin Walker reveals that the laws of space and time shape our form and purpose, and that by acting on this purpose we can ensure the continued survival of life on earth. Life! guides us toward the inescapable conclusion that life s persistence is our number-one goal; this goal not only shapes everything we do, think, and feel, but holds our future in the balance. With its compelling and fascinating description of the origins of morality, spirituality, politics, and love, Life! stands on its own as a work of great literature. In its contribution to human understanding, it is the most important book since Darwin s The Origin of Species. Why do we exist? Why does anything exist? Rationalists would argue that the answer lies in a complete and comprehensive understanding of the physical aspects of the universe. Those with a more spiritual outlook might claim that science only tells part of the story, that the ultimate answer rests on faith. And philosophers may raise an eyebrow at any attempt to achieve an ultimate answer. But what if we were to trace a path from the origins of the universe to the present day, examining how the forms of existence have appeared and developed over time, would we be able to discern some pattern and purpose that is otherwise obscure? Martin Walker has spent his life seeking to understand why things are the way they are. Martin studied Physics at St. John s College, Oxford, and now lives in Brooklyn, New York, with his wife, Hope,...
