

Advice from the Lights: Poems (Paperback)

Filesize: 8.06 MB

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

(Dr. Reta Murphy)

ADVICE FROM THE LIGHTS: POEMS (PAPERBACK)

Graywolf Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Stephen is sometimes Stephanie and sometimes wonders how his past and her past are their own collective memory Advice from the Lights is a brilliant and candid exploration of gender and identity and a series of looks at a formative past. It s part nostalgia, part confusion, and part an ongoing wondering: How do any of us achieve adulthood? And why would we want to, if we had the choice? This collection is woven from and interrupted by extraordinary sequences, including Stephanie poems about Stephen s female self; poems on particular years of the poet s early life, each with its own memories, desires, insecurities, and pop songs; and versions of poems by the Greek poet Callimachus, whose present-day incarnation worries (who doesn t?) about mortality, the favor of the gods, and the career of Taylor Swift. The collection also includes poems on politics, location, and parenthood. Taken all together, this is Stephen Burt s most personal and most accomplished collection, an essential work that asks who we are, how we become ourselves, and why we make art.
