Harper, 2009. Audio Book (CD). Condition: New. Brand new, sealed. 5 CD Audiobook, running time 6 hours. Read by Lynne Truss. Get Her Off the Pitch! is the story of one woman's foray into the very masculine and rather baffling world of sport. Lynne Truss, author of Eats, Shoots & Leaves, spent four years as an unlikely sports writer for The Times. It was a job that took her around the world (via the most difficult journeys and least glamorous hotels) and introduced her to some of the greatest living sportsmen (and a lot of obstructive men with clipboards). During her time in the press box she was cold-shouldered by fellow sports writers; tried unsuccessfully to interpret bizarre commentary and memorize results statistics; circled Wembley in an airship eating chocolate cake; wept at football matches and, much to her surprise, discovered a lasting love of golf. Size: 32mo - over 4" - 5" tall.
