My book talks about my struggles to get an education while, raising a family, as well as the nostalgia for my old country and my love for my new country. In my book, I invite people to read and write. I also want to send a message of love and hope for a better life. In my book I want to send a message of love and hope. How do I wish that every immigrant learns English as soon as they come to this country . How do I wish that every woman would achieve a college education. Yes, it is hard but, not impossible. The young woman that came to this country, with a big desire of an education, finally did it. In my book I invite people to read and write, and I want to send a message of love and hope for a better life.
