Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.DEMERARA GOLD is a solo play in two acts by Ingrid Griffith. It is a coming-of-age-story of the unconquerable spirit of a seven-year old girl left in the clutches of her two grandmothers in the Caribbean after her parents suddenly get visas to the USA. Ingrid cherishes a ring of Demerara gold given to her as a token of her parents promise to return. When she finally rejoins her parents in America five years later, she finds her father railing at this blasted life , her mother wrestling with her disappointments and a life burdened by a family secret. Ingrid Griffith tells her own story in this dramatic solo performance featuring no less than eighteen characters. She ably weaves her country s history, her family s story, and the experience of migration and assimilation into timeless theatre magic.
