Sidekick Books, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There s just something that doesn t seem right . Who can explain the mysterious allure of Angela Lansbury? In this Sidekick Books team-up, poet Chrissy Williams and illustrator Howard Hardiman gaze upon (and into) the many facets of Angela and her most famous fictional counterpart, Jessica Fletcher, as wonderstruck miners might scrutinise a fist-sized diamond freshly cut from the rock. But like a tesseract, Angela seems to exist in four dimensions, beyond Euclidean space, her limits impossible to define through observation alone. Thus, further and deeper must our fearless duo travel, through the televisual glass, past all the iterations of ode and approximation, into the parallel universe that is Angela.
