Read Books, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. COLLECTED POEMS OF GEORGE WILLIAM RUSSEL. This book holds what poetry of mine I would wish my friends to read. I have omitted what in colder hours seemed to me to have failed to preserve some heat of the imagination but in that colder mood I have made but slight revision of those retained. However imperfect they seemed, I did not feel that I could in after hours melt and remould and make perfect the form if I was unable to do so in the intensity of conception, when I was in those heavens we breathe for a moment and then find they are not for our clay. When I first discovered for myself how near was the King in His beauty I thought I would be the singer of the happiest songs. Forgive me, Spirit of my spirit, for this, that I have found it easier to read the mystery told in tears and understood Thee better in sorrow than in joy that, though I would not, I have made the way seem thorny, and have wandered in too many byways, imagining myself into moods which held Thee not. I should have parted the true from the false, but I have not yet passed away from myself who am in the words of this book. Time is a swift winnow, and that he will do quickly for me. Contents include: AWAKENING 2 BY THE MARGIN OF THE GREAT DEEP . . 3 THE UNKNOWN GOD . THE HERMIT OVERSOUL . . . 5 6 8 THE GREAT BREATH . 9 DUSK- NIGHT DAWN- DAY, 13 ECHOES 14 STAR TEACHERS 15 WINTER
