They re fearless. Some are even funny. Greta Christina s erotic stories are written to get you hard and wet and to change the ways you think about sex. Be forewarned stuff happens here that s borderline consensual. Or not at all consensual. These are dirty, kinky stories about shame, about pain, helplessness and danger, reckless behavior and bad, bad ideas.A baby dyke is manipulated into fetish porn by her beautiful, self-absorbed pornstar lover. A good Christian wife follows her duty to obey, even as her husband s sexual demands become bizarre. A student, hungry for punishment, seeks it from a professor who should know better. A woman with a dedicated fetish finds a lover who meets her more than halfway. And then there s the one about the unicorn and the rainbow. Raw, exciting, joyful, intensely believable, Greta s stories are written with a fierce respect for erotic fiction and for sex itself.
