

God s Image in Man: Some Intuitive Perceptions of Truth (Paperback)

By Henry Wood

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. IN the day that God created man, in the likeness of God made he him. We have already studied the Scriptural account of man s creation, so far as was necessary to a clear understanding of the fact that this race of ours had an actual and definite beginning. Adam was not the son of a father, who was the son of another father, and so on up to an eternity of generations, an endless succession of ancestors. God made him out of the dust of the earth at once; all at once; he did not evolve or develop an insect or a reptile out of some organic monad, some protoplasm of jelly, and then better that into an animal, and then educate or finish up that animal into a more respectable ape or chimpanzee, and then out of him fashion a human being, who would have fitting gifts to be a lawyer, a preacher, or a professor of geology. Those of our book-writers who scientifically believe they had such an ancestry, long drawn out, are quite welcome to their faith....

Reviews

This book is great. It is written in simple words and not difficult to understand. I discovered this pdf from my dad and I suggested this ebook to find out.
