Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Animal attraction is only half of the problem. Olivia Felan has a wild side, all right. Even ignoring the fact that she turns furry and feral once a month, her natural style is take-no-prisoners, full-speed-ahead, come-what-may. But when it comes to her little girl, she doesn't take chances. So when a big bad werewolf alpha steals her daughter, Olivia will do whatever it takes to get her baby back. And in this case, that means killing Rory Sullivan. The trouble is, killing him would mean wasting one sexy beast. Sully is all man, all cop, and as of late, half wolf. When he meets Olivia, Sully's a little glad he stuck his nose into his friend's business and came out with animal senses--until he gets a whiff of the chaos following her around. Now he has to decide whether he can't take his eyes off Olivia because she's too beautiful--or because she's too dangerous.
