Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Sanitary Problems of Chicago: Past and Present IT is interesting to notice how little the elements of mere beauty of loca tion, or healthfulness of surroundings, as things worthy to be considered, enter into the locating of towns which, in the usual growth of business and population, become large cities. Facilities for primitive trade and barter are the elements which generally first determine the sites of future cities. Careful selection of a site with reference to the wants of a large population from the necessities of the case cannot be made, and in many instances where it was supposed all the conditions obtained, failures have occurred. The sanitary problems that subsequently arise unite the necessity of accept ing its deficiencies in regard to water supply, to soil, to atmosphere, to loca tion and topography, with that of applying such artificial remedies and modifications as may be appropriate and practicable. Marsh, in his work on Man and Nature, says, The in?uence of man in changing the climate and the physical condition of a country needs no argument to substantiate it. Withdraw man, and you remove the disturber of all laws. People must be awakened to the necessity of restoring the disturbed harmonies of nature, where well-balanced in?uences are so pro pitious to all her organic offspring 5 of repaying to our great mother the debt which the prodigality and thriftlessness of former generations have imposed upon their successors, thus fulfilling the command of religion and of practi cal wisdom, to use this world as not abusing it. He further says, I am satisfied that we can become the architects of our own abiding place, as it is well known how the...
