Alfred Publishing Co., Inc., United States, 2006. Paperback. Book Condition: New. Student. 300 x 222 mm. Language: English . Brand New Book. Orchestra Expressions(tm) provides music educators at all levels with easy-to-use, exciting tools to meet daily classroom challenges and bring new vibrancy and depth to teaching music. The lessons were written based on the National Standards for the Arts in Music -- not retro-fitted to the Standards. The program is music literacy-based and satisfies reading and writing mandates in orchestra class. The pedagogy involves a four-fingers-down start for every instrument, separate but simultaneous development of both hands, and beginning the bass in III position to develop early shifting. Each student book features an attractive full-color interior with easy-to-read notes and includes: -A 59-track accompaniment CD that covers Units 1-15 (a second CD covering Units 16-33 is available separately, individually as item 00-EMCO2006CD or in a 25-pack as item 00-EMCO2007CD) -Historical notes on some of the most notable composers of orchestral music -A thorough glossary of musical terms -Scales and warm-up exercises Future reprints may be printed with black and white interiors. This title is available in SmartMusic.
