

Airtight Pulmonary Function Tests: Coaching Tips from Real Life Experiences (Paperback)

By Rosemary McWilliams

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you have COPD patients that dread these tests? Do you get frustrated when your patients can't seem to follow instructions? Do you give spirometry tests in a physician's office and sometimes wonder what makes a good test? How do I get someone with restrictive lung disease to blow out longer? My patients have trouble panting in the body box. Do you have any helpful tips? I've been told, Please don't shout - I'm not deaf! What should I do? How often should I calibrate? While Rosemary (R.K.) McWilliams, BAS, RRT, CPFT, worked for a pulmonologist, she saw a need for a practical, self-help manual for health care workers who administer pulmonary function tests in hospitals and clinics, and for the lay person who does simple spirometry in the physician's office, or annual employee physicals. Often, pulmonary function coaches work alone, with little resources, and when those clients come in (and they will) that have difficulty performing a spirometry test, you need this self-help manual in your hand. Airtight PFTs is loaded with coaching...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
