Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Excerpt: Nausea (orig. French *La Nausée*) is an epistolary novel by the existentialist philosopher Jean-Paul Sartre, published in 1938 and written while he was teaching at the lycée of Le Havre. This is Sartre's first novel and one of his best-known. The novel concerns a dejected historian in a town similar to Le Havre, who becomes convinced that inanimate objects and situations encroach on his ability to define himself, on his intellectual and spiritual freedom, evoking in the protagonist a sense of nausea. It is widely considered one of the canonical works of existentialism. Sartre was awarded (but declined) the Nobel Prize for literature in 1964. They recognized him 'for his work which, rich in ideas and filled with the spirit of freedom and the quest for truth, has exerted a far-reaching influence on our age.' He was one of the few people ever to have declined the award, referring to it as merely a function of a bourgeois institution. In her *La Force de l'âge* (The Prime of Life - 1960), French writer Simone de Beauvoir claims...
