UNSOLVED: RAPE MURDER AND MUTILATION (PAPERBACK)**DOWNLOAD**

Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have asked this question before but were you listening to me. How many people did you pick on in school? Be honest with your self. Is there some one out there that is an emotional wreck or has become isolated even today because of what you or your class mates might have done to him or her. Think about it and put your self in their place. Could you have made it through all of the mental and physical torture inflicted up on them by the BULLIES. Bullies is really another word for the sick cowards that are out of control. These are the people that give many good people and schools a bad name and reputation. How compassionate are you? Could you forgive some one for the wrong the humiliation plus the mental and physical pain that they inflicted on you in front of your friends and class mates? Bullying in our education system has got completely out of hand. UNSOLVED is a novel about such actions by students in a mid western school who push a poor student beyond return. Gary Royston was an only child whose parents were extremely wealthy but all their money could not stop the hurt that was put on this young man by his so called friends and class mates. Gary was an average student but quite and reserved which might or might not have been the reason that he was singled out to be BULLIED by the others in the student body. The humiliation started when he got a date with two different class mates and the secret came out because of the girls insensitive feelings after they found out about Gary s...
