

They Live (Paperback)

Filesize: 5.48 MB

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THEY LIVE (PAPERBACK)

COUNTERPOINT, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Deep Focus is a series of film books with a fresh approach. Take the smartest, liveliest writers in contemporary letters and let them loose on the most vital and popular corners of cinema history: midnight movies, the New Hollywood of the sixties and seventies, film noir, screwball comedies, international cult classics, and more. Passionate and idiosyncratic, each volume of Deep Focus is long-form criticism that s relentlessly provocative and entertaining. Kicking off the series is Jonathan Lethem s take on They Live, John Carpenter s 1988 classic amalgam of deliberate B-movie, sci-fi, horror, anti-Yuppie agitprop. Lethem exfoliates Carpenter s paranoid satire in a series of penetrating, free-associational forays into the context of a story that peels the human masks off the ghoulish overlords of capitalism. His field of reference spans classic Hollywood cinema and science fiction, as well as popular music and contemporary art and theory. Taking into consideration the work of Barbara Kruger, Jenny Holzer, James Brown, Fredric Jameson, Shepard Fairey, Philip K. Dick, Alfred Hitchcock, and Edgar Allan Poe, not to mention the role of wrestlers--including They Live star Rowdy Roddy Piper--in contemporary culture, Lethem s They Live provides a wholly original perspective on Carpenter s subversive classic.
