Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE GENERAL PRACTICE JOURNEY: THE FUTURE OF EDUCATIONAL MANAGEMENT IN PRIMARY CARE (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2003. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. This comprehensive book provides up-to-date information examining the breadth and depth of postgraduate general practice education at the outset of the 21st century. It includes many keynote contributions from representatives of the Department of Health, undergraduate medicine and the Royal College of General Practitioners. The journey of general practice is challenging and eventful, from undergraduate education through vocational training and on to the Higher Professional Education (HPE). This book provides guidance for readers to benefit from the changing structures of general practice by sharing knowledge and best practice on education and professional development. It is essential reading for all general practitioners involved in training and all members of the primary healthcare team facing change and opportunities within their organisations.
