

Latin American Economic Outlook 2015: Education, Skills and Innovation for Development (Paperback)

By -

Organization for Economic Co-operation and Development (OECD), France, 2015. Paperback. Condition: New. Language: English . Brand New Book. The Latin American Economic Outlook is the OECD Development Centres annual analysis of economic developments in Latin America. It is produced in partnership with the United Nations Economic Commission for Latin America and the Caribbean (ECLAC) as well as CAF, the development bank of Latin America. Each edition includes a detailed macroeconomic overview as well as analysis of how the global context is shaping economic performance in the region. The Latin American Economic Outlook also takes an in-depth look at a special theme related to development in Latin America, taking into account future strategic challenges and opportunities. The 2015 edition focuses on the role of education, skills and innovation for development, taking stock of the current situation in the region, identifying the main challenges and opportunities in these fields, and presenting a series of policy areas where action is needed to impulse Latin Americas development.
