Brand New Book ***** Print on Demand *****.MAGDALENE is the Grail Queen of the Templar Legacy. Miriam, young, naive priestess of the goddess Asherah is of the royal Hasmonean bloodline is the chosen initiatrix of the priest-king, Yeshuah ben Miriam and mother-to-be of their daughter. Set between Judea, ancient Cornwall, Glastonbury, the Druid isle of Mona and the mists of Ireland, Miriam - visionary and prophet - becomes a stranger to the woman she once was, stronger in the face of the savagery and brutality of war than she ever would have thought possible, closer than even she could have believed to the powers within nature to heal in the face of adversity. This is a controversial love story and an adventure into consciousness. Complete with an extensive glossary and bibliography de Angeles tops off the book with GOD S BASTARDS, an addendum of research and commentary.
