GIMME MORE

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Gimme More is a song by American recording artist Britney Spears from her fifth studio album, *Blackout*. It was released on September 27, 2007 by Jive Records as the lead single of the album. The song was co-written and produced by Danja and was recorded during Spears's second pregnancy. The track opens with an intro in which Spears says the phrase 'It's Britney, bitch'. It features racy lyrics, that although they appear to be about dance and sex, are a reference to the public's fascination with Spears's private life. Musically, 'Gimme More' is an uptempo dance-pop song with breathy vocals and influences from other genres, such as electro and funk. 'Gimme More' received mixed reviews from critics, who praised the music but dismissed Spears's vocals. The song debuted at number three on the U.S. *Billboard* Hot 100, becoming her fifth top ten hit and also her second highest-peaking single at the time. It also peaked at the top of the charts in Canada and reached top five positions in almost every country it charted. The accompanying music video displayed Spears as a stripper and featured a break from Spears's highly choreographed music videos. 140 pp. Englisch.
