

## Green Stringpops: (Violin 2 Part) (Paperback)

By -

Faber Music Ltd, United Kingdom, 1998. Paperback. Condition: New. Language: English . Brand New Book. Seven fun pieces in pop, rock and jazz styles for young players with basic to moderate ability. Developing the immensely popular format of Stringpops 12, Green Stringpops works equally well with almost any combination of strings and piano, and is ideal for either class or individual teaching. Loveable catchy tunes and rhythms feature alongside techniques such as double stopping and chromaticism. Basic position changes and new key-signatures are introduced in a carefully worked-out scheme. Each piece is accompanied by a thought-provoking statement on a major environmental issue.

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
