APOSTOLIC CHURCH PLANTING: BIRTHING NEW CHURCHES FROM NEW BELIEVERS

InterVarsity Press, United States, 2015. Paperback. Book Condition: New. 235 x 106 mm. Language: English . Brand New Book. Church planting is not just about gathering new communities of people who are already Christians. In the book of Acts, church plants begin with sharing the gospel. Planting churches flows naturally out of making disciples. Pastor J. D. Payne explains the process and stages of church planting, with biblical foundations and practical steps for planting teams. He provides a pathway for the multiplication of disciples, leaders and churches. Here are church planting strategies and activities that are simple, highly reproducible and can be implemented by ordinary team members, not just by charismatic leaders. This guide can be used for planting in contexts among any given people group, domestically or internationally. It is an ideal resource for teams to work through together as they follow God's call in their community.
