

Anti-semitism and Islamophobia: Hatreds Old and New in Europe (Paperback)

By Matti Bunzl

Prickly Paradigm Press, LLC, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. The apparent resurgence of hostility toward Jews has been a prominent theme in recent discussions of Europe; at the same time, the adversities faced by the continent's Muslim population have received increasing attention. In *Anti-Semitism and Islamophobia*, Matti Bunzl offers a historical and cultural clarification of the key terms in these ongoing problems. Arguing against the common impulse to analogize anti-Semitism and Islamophobia, it instead offers a framework that locates the two phenomena in different projects of exclusion. According to Bunzl, anti-Semitism was invented in the late nineteenth century to police the ethnically pure nation-state. Islamophobia, by contrast, is a phenomenon of the present, marshaled to safeguard a supranational Europe. With the declining importance of the nation-state, traditional anti-Semitism has run its historical course, while Islamophobia threatens to become the defining condition of the new, unified Europe. By ridding us of misapprehensions, *Anti-Semitism and Islamophobia* enables us to see these forces anew.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
