

Life Within the Entropy Paradigm: Gain Balance, Clarity and Contentment (Paperback)

By Matthew G. Barnett

Intrinsic Mind Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are in a new age of consciousness and understanding. This is not the first time this has happened and it won't be the last. The shift in consciousness that saw the building of the pyramids around the world, the birth of religion, the industrial revolution, the information age, these are all examples of quantum leaps in human development. I truly believe that we are right slap bang at the beginning of another one: an age of connection, energy, and the coming together of science, spirituality and religion to finally help us understand how the universe and stuff really works. In systems of ever-increasing entropy and chaotic thinking, there comes a critical level where something has got to give. Step inside Life within the Entropy Paradigm and discover a world of unlimited knowledge and power which may just change the way you think forever. Matt Barnett is CEO of Cognition Training, an organisation dedicated to personal development. He is a certified trainer of NLP, a certified trainer of Hypnosis, a business personal coach, public speaker, entrepreneur and father to four...
