Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DRAWING CONCLUSIONS (PAPERBACK)

Penguin Books, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Donna Leon s latest New York Times bestseller is one of her best (Booklist, starred review) Twenty years ago Venetian Commissario Guido Brunetti and his creator, Donna Leon, first introduced readers to the delights-and dangers-of Venice. Now they have millions of devoted fans. In Drawing Conclusions, a young woman arrives home and senses that all is not right in the apartment below. When she investigates, she finds her neighbor lying lifeless on the floor. The autopsy shows that the widow s death was due to a heart attack, but Brunetti is convinced that things are not as straightforward as they seem. With her signature combination of humanity, nuanced detail, and psychological insight, Leon s twentieth Brunetti mystery reaffirms her place in the pantheon of crime fiction.
