Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. Katharine Towers second collection is a book of small wonders. From a house drowning in roses to crickets on an August day, from Nerval s lobster to the surrealism of flower remedies, these poems explore the fragility of our relationship with the natural world. Towers also shows us what that relationship can aspire to be: each poem attunes us to another aspect of that world, and shows what strange connections might be revealed when we properly attend to it. The Remedies is a lyric, unforgettable collection which offers just the spiritual assuagement its title promises, and shows Towers emerging as a major poetic talent.
