Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 134 mm. Language: English . Brand New. An immensely talented writer whose work has been described as incandescent (Kirkus) and poetic (Booklist), Thomas Christopher Greene pens a haunting and deeply affecting portrait of one couple at their best and worst. Inspired by a personal loss, Greene explores the way that tragedy and time assail one man s memories of his life and loves. Like his father before him, Arthur Winthrop is the Headmaster of Vermont s elite Lancaster School. It is the place he feels has given him his life, but is also the site of his undoing as events spiral out of his control. Found wandering naked in Central Park, he begins to tell his story to the police, but his memories collide into one another, and the true nature of things, a narrative of love, of marriage, of family and of a tragedy Arthur does not know how to address, emerges. Luminous and atmospheric, bringing to life the tight-knit enclave of a quintessential New England boarding school, the novel is part mystery, part love story and an exploration of the ties of place and family. The Headmaster s Wife stands as a moving elegy to the power of love as an antidote to grief.
