Condition: New. Publisher/Verlag: Random House US | The Indispensable Personality Profiles That Reveal How to Make Your Life Better (and Other People's Lives Better, Too) | In this groundbreaking analysis of personality type, bestselling author of *Better Than Before* and *The Happiness Project* Gretchen Rubin reveals the one simple question that will transform what you do at home, at work, and in life. During her multibook investigation into understanding human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: Upholders, Questioners, Obligers, and Rebels. Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. More than 600,000 people have taken her online quiz, and managers, doctors, teachers, spouses, and parents already use the framework to help people make significant, lasting change. The Four Tendencies hold practical answers if you've ever thought: - People can rely on me, but I can't rely on myself. - How can I help someone to follow good advice? - People say I ask too many questions. - How do I work with someone who refuses to do what I ask or who keeps telling me what to do? With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative. It's far easier to succeed when you know what works for you. | Format: Paperback | Language/Sprache: english | 269 gr | 210x140x15 mm | 272 pp.
