Reviews

It is one of the best ebooks. It really is filled with knowledge and wisdom I realized this publication from my dad and I advised this publication to understand.

DECONSTRUCTING DIRTY DANCING (PAPERBACK)

DOWNLOAD

John Hunt Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Renowned film critic Roger Ebert said Dirty Dancing might have been a decent movie if it had allowed itself to be about anything. In this broadly researched and accessible text, Stephen Lee Naish sets out to deconstruct and unlock a film that has haunted him for decades, and argues that Dirty Dancing, the 1987 sleeper hit about a young middle-class girl who falls for a handsome working-class dance instructor, is actually about everything. The film is a union of history, politics, sixties and eighties culture, era-defining music, class, gender, and race, and of course features one of the best love stories set to film. Using scene-by-scene analyses, personal interpretation, and comparative study, it's time to take Dirty Dancing out of the corner and place it under the microscope.
