Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.2014. Third collection. 31 poems. Written between Manchester and Canterbury during a period of power and unemployment, Bread and Honey explores rot, longing, friendship, the importance of history and what it may mean to laugh maniacally at oneself in a mirror, all whilst lightheartedly reminding us that life is a dark coil towards an unknowable and certain doom, and that it is to be enjoyed. This is the author's third full collection and marks definitively his graduation from rising megastar to masterful juggernaut, he says.
