When a young girl is found dead at the base of Hadrian's Wall in Northern England, it's not long before detective Kate Daniels realizes her death was no ordinary homicide. She was thrown from a great height and was probably alive when she hit the ground. Then a local businessman reports his daughter missing. Her description fits the dead girl exactly. Has Daniels found the identity of her victim or is a killer playing a sickening game? As the investigative team delves deeper into the case, half-truths are told, secrets exposed. And while Daniels makes her way through a mountain of obstacles, time is running out for one terrified girl.
