Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

FREEDOM PIRATE (PAPERBACK)

Eleuthero Pubs, United States, 2014. Paperback. Condition: New. Camellia Auld (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Llewellyn Powell knows the slave trade, and knows it from the inside. Now he wants to take it down. as a pirate. Llewellyn s father died in a logging accident in the great forests of Wales when Llewellyn was but a lad. Shortly after, Llewellyn ran off in hopes of sending some money back to his impoverished mother. Thinking he would find adventure and fortune he went to sea; what he found was rough and cynical company. It toughened him: he was determined to be a survivor, and he was. In fact he began to rise through the ranks until at a remarkably young age he found himself a ship s captain. But the change in him threatened his soul, for the ship he captained was a slave ship: his cargo was human beings - bodies and souls. His mother s insistent habit of writing him letters annoyed him, as she never made peace with his slaving - but deep inside her letters troubled his mind and would not give him rest. Then came the day of reckoning: a great storm wrecked his ship. The lone survivor, he felt he was spared to live a different way of life. He was called to take on the slavers and set free the slaves, a Moses for his times. But how could one man take on the slave trade with all its power and resources and even the support of His Majesty s navy? He would have to become a pirate: the Freedom Pirate. This is the story of a man on a mission: the courage, the unexpected friends, and the change in his own inner person that it required....
