McGraw-Hill Education - Europe, United States, 2016. Hardback. Book Condition: New. 8th. Language: English . Brand New Book. Kontakte continues to offer a truly communicative approach that supports functional proficiency, supported by the full suite of digital tools available in Connect German (now including LearnSmart(r)!). This proven Introductory German program maintains its commitment to meaningful communicative practice as well as extensive coverage of the 5 Cs and the ACTFL Proficiency Guidelines 2012. The video segments Interviews and Perspektiven feature interviews with a variety of speakers that allow students to hear authentic German in context. They provide models for talking about topics using authentic language, guiding students in communicating with one another. In the Connect activities for the student textbook and Arbeitsbuch, students can also take advantage of the audio and video live chat tool to communicate with their classmates online. In Connect German, students have full access to the digitally enhanced eBook, the onlineArbeitsbuchactivities, LearnSmart(r), and all of the accompanying audio and video resources, giving them the ability to interact with the materials (and one other) as often as they wish. A solid theoretical foundation: Firmly grounded second-language acquisition research, Kontakte also supports the National Standards as outlined in the Standards for Foreign Language Learning in the...
