Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. You are About to Discover Exactly How to MASTER Tennis in Just 5 EASY Steps! Tennis is an exciting, highly emotional game. It is played with lots of skill and technique. To a bystander, tennis may seem like a simple game for hitting the ball back and forth until one player misses a shot and the other player gets the point. But, there is so much more to just hitting the ball. There are so many factors to consider in order to hit the ball properly, to send it flying with the right amount of speed and power, and to send it flying in the desired direction. It takes knowledge, skill and loads of practice. For this, tennis magazines and books are loaded with tips and tricks to achieve the best tennis game. However, not all of them are easy to understand, with all the technical terms and the physics of the game. Momentum, angles, speed and power are just some of the basic physics involved in tennis. These are also one of the major reasons why beginners find it difficult to follow the game and learn how to play because it can be really difficult to wrap one's head around these things. A lot of instructional materials on tennis can get very technical and difficult to follow. Good news is, this tennis for beginners book makes things so much simpler. You won't have to deal with angular momentum and all those physics stuff. You get the simplest and yet most helpful tutorial ever to help you understand the game of tennis and to be a pro at it in no time. Start Reading NOW!.
