We do well, in our examinations into this subject, to note carefully the various applications of the word baptize, and not always attach the use of water to the term. There is a being baptized in a cloud, and in the sea, to protect God s Israel from their deadly foes; a baptism in sufferings; a baptism in water unto repentance; a baptism in fire, or the Holy Ghost; a baptism into the doctrine of the Trinity (Matt 28:19). Bunyan had no doubt upon this subject; he deemed water baptism an important personal duty; and that a death to sin, and resurrection to newness of life--a different tint, or dye, given to the character--was best figured by immersion in water: still he left it to every individual to be satisfied in his own mind as to this outward sign of the invisible grace. Strange, he says, take two Christians equal on all points but this; nay, let one go far beyond the other for grace and holiness; yet this circumstance of water shall drown and sweep away all his excellencies; not counting him worthy of that reception that with hand and heart shall be given to a novice in religion, because he consents to water.
