BETWEEN JESUS AND THE MARKET: THE EMOTIONS THAT MATTER IN RIGHT-WING AMERICA (PAPERBACK)

Duke University Press, United States, 1997. Paperback. Condition: New. New. Language: English . Brand New Book. Between Jesus and the Market looks at the appeal of the Christian right-wing movement in contemporary American politics and culture. In her discussions of books and videotapes that are widely distributed by the Christian right but little known by mainstream Americans, Linda Kintz makes explicit the crucial need to understand the psychological makeup of born-again Christians as well as the sociopolitical dynamics involved in their cause. She focuses on the role of religious women in right-wing Christianity and asks, for example, why so many women are attracted to what is often seen as an antiwoman philosophy. The result, a telling analysis of the complexity and appeal of the emotions that matter to many Americans, highlights how these emotions now determine public policy in ways that are increasingly dangerous for those outside familiarity's circle. With texts from such organizations as the Christian Coalition, the Heritage Foundation, and Concerned Women for America, and writings by Elizabeth Dole, Newt Gingrich, Pat Robertson, and Rush Limbaugh, Kintz traces the usefulness of this activism for the secular claim that conservative political economy is, in fact, simply an expression of the deepest and most admirable elements of human nature itself. The discussion of Limbaugh shows how he draws on the skepticism of contemporary culture to create a sense of absolute truth within his own media performance—its truth guaranteed by the market. Kintz also describes how conservative interpretations of the Holy Scriptures, the U.S. Constitution, and the Declaration of Independence have been used to challenge causes such as feminism, women's reproductive rights, and gay and lesbian rights. In addition to critiquing the intellectual and political left for underestimating the power of right-wing grassroots organizing, corporate interests, and postmodern media...
