From New York Times bestselling author Francis Ray comes a novel about an extraordinary woman who learns to see life and love in a different light Desperate to escape her abusive marriage, Lilly Crawford files for divorce, then slips away from her small east Texas hometown with little more than the clothes on her back. She points her twelve-year-old car east, hoping to find a new beginning. When her car breaks down in Louisiana, Lilly finds unexpected employment as the caregiver for a wealthy neurosurgeon named Adam Wakefield, who lost his sight in a recent carjacking. At first, the handsome, brooding Adam reminds Lilly too much of the troubled husband she left behind, and Lilly reminds Dr. Wakefield of how far he has fallen from the self-assured man he once was. But as the two spend long days together, an unexpected bond develops one that will be deeply tested. For Lilly must confront her violent husband before she can ever hope to find her best self. And her true passion.
