Anness Publishing, United Kingdom, 2017. Board book. Condition: New. Emma Dodd (illustrator). Language: English . Brand New Book. Look for all the shapes that Dog discovers during his day. He gets out of bed first thing in the morning - a bed that contains one square blue cushion and one circular red cushion, both of them equally comfortable. During a trip to the beach, Dog sees the triangular white sails of the boats on the water. How many can you spot? When his owner Vicky gets rid of the sand from his fur with a purple oval brush, Dog s leg twitches and his tail wags with pleasure! Later, he jumps over a wall of rectangular bricks while following his friend Frog. Finally, it is time to return to bed, where Dog falls asleep under the bright stars and crescent moon in the night sky. With appealing images to look at and talk about, this book is a wonderful aid to learning that little ones will want to return to again and again. It is built to last, with sturdy board pages that will stand up to repeated use.
