John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This book correlates teachings from several profound texts, namely the spiritual philosophy of A Course in Miracles and a rendition of The Gospel of Thomas, a collection of Sayings from the time of Jesus. The hidden keys unearthed from these combined resources will help us delve deeper into the metaphysical meanings of life, and strive to answer universal spiritual questions that have eluded mankind's awareness for generations. We will endeavor to understand our purpose in life and our reason for being. Our aim is to methodically decipher how to draw closer to our Source, and to understand how to overcome past obstacles that have prevented that joyous reunion from occurring. As we embark upon the path of forgiveness our perceptions will change as to what we consider real and important. We become joyfully reacquainted with a different Guide than we have traveled with in the past, One who will smooth our way and make straight our path. With these keys in hand, we will gain the knowledge that enables us to see beyond form to the formless, and unite once again with the flawless Vision that sees our True Self as it really is.
