

Losing Leah (Paperback)

By Sue Welfare

Mirror Books, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. A debut crime thriller from a Sunday Times bestselling author and TV dramatist. On a cold, dark February morning, Chris and Leah Hills stop for coffee at an isolated service station a stone's throw from the Welsh Borders. While Leah heads inside, Chris locks the car and goes in to order their drinks. She shouldn't be long, after all they've only stopped to stretch their legs. Minutes pass. Chris waits and waits, but Leah doesn't come back. When Sergeant Mel Daley and her boss, Detective Inspector Harry Baker, arrive to begin a search for the missing woman, their investigation calls everything into question. Is she alive? Did she leave the service station with someone else? Did Leah ever even leave Norfolk? While her husband becomes more frantic, the pair begin to unravel a tangle of dark secrets from the past.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
