SIXTH GRADE MANUAL: TO ACCOMPANY HIGHWAYS AND BYWAYS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sixth Grade Manual: To Accompany Highways and Byways This volume is the teacher s manual which accompanies Highways and Byways, the sixth - grade book of the Child Development Readers. It was made to be used. The au thors hope and believe that the teacher will find within its pages many concrete suggestions which will enable her and her pupils to achieve the purposes for which Highways and Byways was created. In order that the detailed suggestions contained in the manual may be clear to the teacher, it seems proper to present four brief statements in this introduction. The first explains certain basic purposes of reading instruction during the intermediate grades. The second statement describes a few of the most important features of the inter mediate grade books in the Child Development Readers. The third describes the Intermediate Grade Reading Tests which are provided especially for use with this series of readers. The fourth indicates the organization of the material contained in this manual. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
