iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is there a mold into which Christian women must fit to be considered a true Christian? Does God want a cookie-cutter group of followers who look, dress, and think alike? Author Peggy Boyd takes an in-depth look at how the Bible addresses certain issues involving women s behavior and how they have been wrongly perceived. The Gospel According to.Who? addresses these concerns and also asks the following: Is it true that God has specific instructions for how we dress or how long our hair should be? Is it really a sin to wear jewelry, slacks, or even to cut our hair? Is it true that the Bible prohibits women from teaching and possessing leadership roles? What is submission? Have we missed the point? The Gospel According to.Who? examines how the Bible imprisons thousands of women simply because they fail to peel away the onionskin and delve into the hidden treasures of God s Word. Simple and straightforward, Boyd s findings will help women understand their Christian role in today s society and become free in the Lord to fulfill their destiny!.
