Excerpt: . . . 1. 3 Methods The National Study of Local Education Agency Activities under the Safe and Drug-Free Schools and Communities Act collected information from a cross-section of school districts in the 50 states. From the pool of the more than 13, 000 school districts that enroll students (as opposed to districts that are supervisory or solely administrative), we sampled 600 districts. We based the sample on district characteristics that are relevant to addressing the research questions. The data collection entailed computer assisted telephone interviews (CATI) of district officials. In addition, for a small subset of the districts, we collected and analyzed district goals and objectives for their SDFSCA program. We drew the sample of 600 school districts from the Common Core of Data (CCD), Sample Selection. which is prepared by the National Center for Education Statistics (NCES). We used the 1995-96 version of the file, the most recent information at the time of sample selection. The CCD includes information on more than 16, 000..
