

Off My Rocker and on My Knees: 52 Devotions for Devoted Grandmas (Hardback)

By Vicki Kuyper

Broadstreet Publishing, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. If grandmothers ran the world, our grandkids would always be within arms reach-at least until we needed a little quiet time to relax and re-energize. But, life doesn't often work out that way. Even if we live right around the corner, our grown children-and their children - lead busy lives. Grandma Time may never be as long, or frequent, as our hearts wish it would be. Here's a way we can make the most of the time we have, together or apart, by drawing closer to God, as well as our grandkids. These 52 devotions for devoted grandmas cover topics like worry, playing favorites, and how to keep from becoming a Nana Diva. They also include creative ideas on how to put our grandmotherly love into action. The perfect gift for a first-time grandma, or perhaps a well-deserved bit of encouragement for yourself, this devotional will inspire readers to get off their rockers and on their knees as they celebrate the unparalleled blessings that being a grandparent brings.
