

Out from the Heart: By James Allen (Paperback)

By Associate Professor of Philosophy James Allen

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As the heart, so is the life. The within is ceaselessly becoming the without. Nothing remains unrevealed. That which is hidden is but for a time; it ripens and comes forth at last. Seed, tree, blossom, and fruit are the fourfold order of the universe. From the state of a man s heart proceed the conditions of his life. His thoughts blossom into deeds; and his deeds bear the fruitage of character and destiny. Life is ever unfolding from within, and revealing itself to the light, and thoughts engendered in the heart at last reveal themselves in words, actions, and things accomplished.
